Your doctor recommended NSW Health Pathology. However, you are free to choose your own pathology provider. If your doctor has specified a particular pathologist on clinical grounds a Medicare rebate will only be payable if that pathologist performs the service. You should discuss this with your doctor. Accredited for compliance with NPAAC Standards and ISO 15189. Patients with a current public hospital medical record number may have their results displayed in the Local Health District electronic medical record for safe, appropriate clinical care.
